

Ladybug Newsletter February 16, 2012

I would like to thank all those parents who helped and contributed items for our Valentine's Day Party. The children had a wonderful time. Thank you!!

This week we have been talking about dental health. The children have been discussing ways to keep our teeth healthy. We also have talked about the importance of brushing our teeth and visiting the dentist. In art the children experienced painting with a toothbrush. We also read numerous books about brushing our teeth and going to the dentist. During centers the children worked on Tooth Fairy number matching and shape matching.

We will be starting our first project next week. Our project will be on firemen and fire trucks. I will be in need of a big box, so that we can construct our own fire truck. We have many fun activities planned for the unit.

REMINDER: NO SCHOOL ON MONDAY.

God's Blessings!!

Debbie Berg
