# Mrs. Kowalski's 3-Year-Old Preschool Class

## Fish Room News

**Jesus Time:** - Noah's Ark and the Great Flood (Genesis 6-9)

- ◆ During the last week of learning the story of Noah's Ark, the children have been able to continue to learn the lines from the story, as well as act out all the different roles. We have even learned two new songs about the story. Ask your child to share them with you!

### Fire Safety:

- ◆ We began our week by learning about fire safety. Before beginning, each child was asked to name one thing that they already knew about fire safety. I received many great answers! Some topics brought up in our discussion were firefighters, fire trucks, and safety tips. The children were also able to share their own experiences with their classmates about fire safety. We continued by reading the book *Stay Safe! Fire Safety* by Sue Barraclough. The children were then asked what they wanted to learn more about relating to fire safety. A lot of our answers related to fire trucks, firefighters, fire safety and fire stations.
- ◆ This week we focused on learning about fire trucks. We read *Fire Engines* by Anne Rockwell and talked about the different types of fire trucks and the different parts on a fire truck. We even used a projector to trace our own Hinsdale Fire Truck. We will finish our fire truck work next week!

## Upcoming Week

We will continue learning about fire safety next week, focusing on the topics that the children came up with during our fire safety discussions including firemen, fire safety and fire stations. During Jesus Time, we will begin the new story of Jesus calming the

## Reminders

We have been keeping very busy in our classroom. Come check out your child's portfolio to see what we have been learning!!

October 7, 2011
