Jesus Time: - The Man Who Said Thank You (Luke 17)

- ◆ This week we finished learning about the story of the man who said thank you. From this story, we learned to be thankful for the many blessings God has granted us in each of our lives.

Corn:

- ◆ The children were given strips of paper to practice their cutting. They learned where their fingers and their thumb go to hold a scissors, as well as "open shut, open shut." After they cut their paper, they used glue sticks to add their squares to the paper to complete an Indian corn collage.
- ◆ We continued our week by learning about corn. We first read *Corn On and Off the Cob* by Allan Fowler. From this book, we learned how corn is grown and how it has different uses. In our class, we used corn cobs for painting.

Thanksgiving and Turkeys:

- ◆ We have spend the past week learning about giving thanks. We read the story *Thank You Prayer* by Josephine Page and talked about the many things in our lives that we should be grateful for. We made a Thanksgiving turkey and after talking about all the different things we are thankful for, we added feathers with something that we are thankful written on each one.
