

# News From the Two's

October 2011

We are settling into our class room.  
We are learning the names of our friends in the class.  
Our first unit is The Five Senses. We have used our eyes to see lots of colors and used our ears to hear lots of sounds. We really enjoy the animal shaped shakers. We used our noses to smell coffee and pumpkin spices. We are going to make pumpkin play doh.

We are looking forward to reading night on October 13. Put the children in their pajamas and come listen to some stories.

October 31 is Pajama day. Put the children in their pajamas again and we will have a special day at school.
