

Dragonfly Diary

Week of: Nov. 7, 2011

This week's top 5:

- Please join us, tomorrow (**Tues.**), for our Parent Planning Meeting, 8:45 a.m. The children have voted for "Pets and Pet Shop" to be our next project. We will need art project and field work ideas. See you there!
- This week...On the evening of **Thurs.**, **Nov. 10th**, please join us for the Book Fair at Barnes & Noble, in Oak Brook. We look forward to an evening filled with many fun events. Not only will there be a personal appearance by Biscuit, but there will also be a scavenger hunt, Thanksgiving sing-along (5 p.m.), special food available at Starbucks Café and a holiday art exhibit by Zion students. Hope to see you and your family! A percentage of your purchase will be donated to our center.
- **Monday, Nov. 14th** is picture retake day. If you would like your child's pictures taken over or taken for the first time, next Monday is the day! Simply return their original packet before retakes.
- Do you have plans for **next Tuesday**...after class (11:30 a.m.)? Zion is making decorations for one of the Christmas trees at Graue Mill. On Tuesday, Nov. 15th, we will meet at Graue Mill. Can you help us decorate our tree? Please let Mrs. Zabransky know if you can join us!
- REMINDER: Grandfriend's Day is **Tuesday, Nov. 22nd**. If your child does not have a grandparent to invite, aunts, uncles, parents or close friends are welcome. We have a fun morning planned. Grandfriends, for our classroom, are invited to join us at 9:30 a.m. We will be in our classroom for 30 minutes; the children will then share Music Together songs with our visitors, in the gym.

Have a great week-

Mrs. Zabransky and Mrs. Clouston
