September 23, 2011

Dear Parents,

We had a very exciting week. We began the week by studying the color **orange**. In art the children mixed **red** + **yellow** = **orange**. The children experienced finger painting for the first time. On Monday we also had a fire drill and everyone did a wonderful job, and followed all the rules. Way to go!!

On Wednesday we read the story *Brown Bear, Brown Bear* by Eric Carle. The children enjoyed listening to the story. In art the children made brown bears by using **brown** paint and sponge painted the bear. During our center time the children could re-tell the story of *Brown Bear* using picture cards. This specific skill works on reading comprehension and remembering details in a story.

On Friday the children helped to retell the story of *Brown Bear, Brown Bear*. During center time the children had fun playing a Brown Bear bingo game.

In Jesus Time this week we've been learning about kindness. The children learned this week that Jesus gave us our hands and with our hands we can use them to show our friends we care. Some ways to show kindness with our hands are: giving hugs, shake a friends hand.

Remember the children sing in church on Sunday at 9am.

God's Blessings!!

Mrs. Berg
