# Mrs. Kowalski's 3-Year-Old Preschool Class

## Fish Room News

September 16, 2011

### Jesus Time: - Jesus and the Boys and Girls

- ◆ We have continued to talk about our friend Jesus and how He loves everybody! We have learned that He is never too busy for His us. (Matthew 19:13-14).
- ◆ On Friday we took a short trip upstairs to visit Zion's Church. We learned about the different parts of the church and looked at special items in the church. Each child then got the opportunity to photograph their interpretation of something in the church.

### Music Together:

- ◆ On Wednesday we met our Music Together teacher Mrs. Wentling for the first time as she led the children in a variety of songs, rhythmic chants, circle dances and large movement activities.

### Colors:

- ◆ **Blue:** We began our week by learning about the color blue. We read *In a Blue Room* by Jim Averbeck and created blue saltwater oceans. We concluded by finding a variety of blue items in our art center and as we created a blue collage.
- ◆ **Yellow:** We continued our week by learning about the color yellow. We read *In My New Yellow Shirt* by Eileen Spinelli and went on a hunt all around our classroom searching for yellow items. We concluded by finding a variety of yellow items in our art center and created a yellow collage.

## Upcoming Week

We will continue our work with colors next week. We will begin to focus on secondary colors. We will also begin to explore the process of mixing colors to create new colors. During Jesus Time, we will begin to discuss the story of Noah and the Great Flood.

## Reminders

If you haven't already, remember to bring your school supplies, including an extra change of clothing, a binder and a 4x6 family photo.

As the children sort through the art center looking for items to create a red collage, they are learning color recognition.
